SUMMARY

I am a third-year student specializing in Computer Science and Data Science at Malla Reddy College of Engineering. I recently participated in a hackathon at AWS, which allowed me to enhance my skills and collaborate with fellow tech enthusiasts. Alongside my studies, I work part-time as a tutor at DRS International School, where I enjoy sharing knowledge and helping others learn. Music is another passion of mine; listening to songs helps me relax and feel good.

EDUCATION

Malla Reddy College Of Engineering (MRCE) 2022-Present

- Completed 3 years of study in core subjects such as Data Structures, Data Science and Analysis, etc.
- Gained hands-on experience in Self Development Workshops and Hackathon..etc
